TOWN OF DAYTON

Official Newsletter of Dayton, Wyoming

Welcome to Dayton: Our Little Piece of Heaven

Dayton is situated at the base of the Bighorn Mountains, just 22 miles West of Sheridan.

Incorporated in 1906, and named after Joe Dayton Thorne, the town holds a great deal of history that can be seen by many passing through. Dayton was once a large agriculture and logging community, drawing many families of laborers to settle here in the late 1800's and early 1900's. Still, today, it remains a strong agriculture town, with more modernized amenities such as the Tongue River High School, Tongue River Valley Community Center, and the Art Badgett Pool. Dayton proudly boasts the natural beauty and diversity it holds within both the people and land. We encourage you to adventure into the Tongue River Canyon for a hike, or to the Scott Bicentennial Park to play a round of disc golf. Either way, you are sure to find your place here in our little piece of Heaven!

July-September

Annual Dayton Days a Success Once Again

The 45th Annual Dayton Days was nothing short of a reminder of the incredible support that Dayton citizens hold for their town. The parade featured local businesses and groups such as the Dayton Town Council and Tongue River Honey, as well as Sheridan's very own Khalif Shrine and various political candidates. Following the parade, there were games, music, the annual duck race, a pow-wow, and many more activities held in the park. Everyone was able to enjoy a weekend of enjoyment, basking in the glory of our beloved small town.

Tailgate Party at TRVCC

On September 22, the mayor and the Dayton town council took part in holding a "tailgate" party at the TRVCC in conjunction with the Hub on Smith. With food being donated by the Hub, around 50 people attended, as the TRVCC and Hub directors spoke about previous and upcoming programs/services being offered throughout the community. Everyone enjoyed the company of each other, and the event was presumably a blast!

Sean Walker

Sean is both a member of the TOD Maintenance crew and the animal control officer of Dayton. He never backs down from a challenge and is one of the nicest guys you'll ever run into. In his free time, he enjoys following his kids around the state to their sports events, as well as fishing. He was also one that worked on the pool last summer, and one that we are extremely thankful for!
