

TITLE 6

Add to definitions:

Domestic Fowl: Chickens and domestic ducks that are bred for the primary purpose of meat and/or eggs.

New Ordinance:

1. Domestic fowl will be allowed within the town **BY PERMIT ONLY** with a limit of six (6) per residence for lots of less than an acre. On lots larger than one (1) acre, a limit of 20 fowl will be allowed. Roosters or intact male domestic fowl will not be allowed.
2. The permit shall be issued after the permittee agrees within the permit process to abide by the following:
 - a. Domestic fowl shall be contained in a non-conspicuous location at the rear of the yard.
 - b. Indoor and outdoor containment shall be provided.
 - c. The domestic fowl must be in a coop or outdoor run suitable to contain the fowl, and consistent with all other applicable setbacks from all property lines.
 - d. Any coop shall provide adequate space for at least six (6) domestic fowl or depending on lot size up to 20 fowl.
 - e. Feed shall be kept indoors in a shed or garage and not be allowed to attract other animals.
 - f. No owner or owners of any domestic fowl shall allow or cause to allow the domestic fowl to create a nuisance by neglect, unsanitary health conditions, or excessive odor or noise.
 - g. Permits are not transferrable upon sale of residence.
 - h. Subdivision/HOA rules supersede town ordinance in relation to animal governance.
3. If any violation continues after a two-week notice is given to the permit holder by the designated employee, the permit may be revoked and a fine of \$100.00 per week will be assessed until the complaint is resolved. If the governing body receives neighborhood complaints the permit may be brought up for review at a regular council meeting and the council may revoke the permit if any violation of ordinance exists.
4. The maintenance of domestic fowl shall be subject to all other sections of the title.
